

In accordance with the Announcement of Chulalongkorn University, tuition fees for students in the BAScii program, both Thai and international, are structured as follows:

Tuition Fee (Thai Baht / THB)	Semester			
	First and Second Semester <i>(each)</i>		Summer Semester *	
	Thai	Foreign	Thai	Foreign
University Fee	25,500	79,500	6,375	44,630
Program Fee	195,500	141,500	48,875	10,620
<b>Total:</b>	<b>221,000</b>		<b>55,250</b>	

Although university fees differ for Thai and international students, the Chulalongkorn School of Integrated Innovation (CSII) adjusts its program fees to ensure that all students in BAScii program pay an equal total amount in tuition.

*\* Summer semester fees are applicable for students who enroll in summer courses and wish to earn credits.*

In addition, applicants to BAScii program are required to pay the following fees:

Program application fee (non-refundable)	<b>1,500 THB</b> excluding bank and transfer fees	Due upon submission of the application.
Enrollment confirmation fee	<b>100,000 THB</b>	Payable upon acceptance to the program to confirm a seat. This fee serves as a deposit toward the first semester's tuition and will be deducted from the total amount.

CSII offers limited number of **scholarships** for outstanding students, based on academic merit and leadership potential. All applicants may request consideration for a scholarship during the application process but must pass the admission to be eligible for consideration.
